

## **CAO Update:**

January 24, 2017

### **Administration:**

- The renovations on the Emergency Services Station are progressing. Calls are being dispatched from it.
- Proposals for curbside garbage and recycle pickup were opened on the 20<sup>th</sup>. A report will come to Council on February 7.

### **Finance:**

- David Joy has resigned so we are in the process of hiring another Finance Director.

### **Projects:**

- Lift Station E: About 3 containment rings have been placed with the remainder expected over the next week.
- Raw water line: The consultation process continues. Alberta Environment is waiting for this to be completed before issuing their approval.

### **Operations:**

- Ongoing cleanup of snow and grading continues on priority 1, 2, and 3 roads.
- The sewage treatment system aeration system has frozen up. Crews are getting these operational again.

### **Planning:**

- Reviewing development processes and bylaw revisions.
- Preparing the annual letter to Real Estate Agents and Lawyers regarding off site levies.

### **Community Services:**

#### Parks and Facilities

- Started sanding on trails and sidewalks that are on hilly areas. Are checking out the sander to see if it can be resurrected. The walkway on the highway 88 bridge is being cleared.
