

## CAO Update:

June 21, 2016

### Administration:

- Hired two equipment operators which brings us back up to normal

### Projects:

- 6 Ave SE construction is ongoing. Water and sewer services are currently being replaced. Pending completion of service hookups - underground crews will be moving west, closing 6 Ave SE from 6 Street to 7 Street in about 1 week.
- 2nd Ave NW underground construction is ongoing. The intersection at 2 Ave & 3 Street NW is closed in order to complete an underground storm line.
- The 6 Ave SW and 3<sup>rd</sup> street intersection will be closed this weekend for about 4 days is still being developed.
- The switchover from chlorination to chloramination is scheduled for about July 6. A date will be set tomorrow and advertising will begin.

### Operations:

- Operations
  - Road Sweeping as weather allows
  - Gravel Road Grading sporadic as weather allows
  - Starting Gravel lifts in prep for dust control
  - Starting Crack Sealing next week (location based on road report).
- Utilities
  - WTP SCADA updates ongoing – Vector
  - Continued maintenance issues with Lift Station E – level switches
  - Locates for infrastructure construction
  - CC replacement at Doms
  - Continued difficulties with dirty inlet water – increased testing and chemical adjustments
- Engineering
  - Draft Hydrant drawing complete, GPS & mfg data included – 290 , 60 on private property

### Planning:

- Inspecting unclosed development permits

- There are several development permits from 2011, 2012, and 2013 which have had final notice. We need to determine the next step with these owners. A report will be brought to Council on May 5.

**Regional Fire:**

**Firesmart**

Mowing Defendable Corridors around Slave Lake

**Inter-agency co-operation:**

Coordinate with RCMP and EMS on SE construction and Access

Callouts included 4 Motor Vehicle Accidents, 2 medical lift assists, 1 Duty Officer Alarm call, and a SAR/Fire flood response to Marten River to sandbag along banks in Marten Beach

Other: Slave Lake Anglers Cup on the weekend. Huge volunteer weekend for us over 250 volunteer hours. Visit all rural halls, cleanup, maintenance, all truck checks
