

Slave Lake's 22nd Annual

FROST FEST 2026

February 7-16

Everything you need to
know to enjoy the fun!

Town of
SLAVE LAKE

WHAT IS FROST FEST?

Slave Lake's Frost Fest is our way of making the long winter months that we experience here in Northern Alberta a little bit more enjoyable! Organizations found within Slave Lake put on a variety of events to promote the benefits of active living during the winter months and improve community spirit! There will certainly be something for everyone to enjoy and we hope to see you and your family throughout the week!

The Town of Slave Lake annually hosts the Family Carnival and Frolic in the Park; we're excited to see you again this year! But what you may not know is we're hosting a brand new event this year! NFL fans will love this one; we will be hosting a Super Bowl Watch Party at the Legacy Centre this year! The Elks bar will be open to serve your favorite beverages, and your favorite game day snacks will be included in ticket purchase so make sure to buy yours today! They will be available at the MRC Front Desk, or at the door!

We will also be reviving an old event for Frost Fest this year! We've called the Kodiaks out of hibernation to rematch the Fire Department for the first time in 8 years! Clear your calendars on Sunday February 15 for the most exciting hockey game of the year!

We hope you're as excited for Frost Fest as we are! We can't wait to have fun with you!

THANK YOU TO OUR PARTNERS FOR CONTRIBUTING TO FROST FEST 2026!

BUILDING CONTEST

Send a photo of your snow creation to
tim.horsman@primarycarealberta.ca by **4pm**
on Monday February 16 for a chance to win

Snow Fort Safety Tips:

- Make a few ventilation holes through the top of the snow fort by using a long stick. Make sure the holes stay clear of snow and debris!
- Don't stand on top of your snow fort, especially with someone inside.
- Don't light up a gas stove, lantern, or any other chemicals. This can give you a lethal dose of carbon monoxide even with ventilation holes.
